### Join the UK's Flagship Rail Sector Event in Türkiye

The Department for Business and Trade (DBT) is pleased to invite UK rail sector companies to express their interest in participating in the Turkey–UK Rail Forum 2025, a one-day strategic networking event in Ankara.

This annual forum is DBT Turkey's flagship event in the rail sector, offering a unique platform for UK companies to engage directly with Türkiye's most influential public and private rail stakeholders.

### Why Attend?

- Meet the Right Counterparts: Gain direct access to senior representatives and technical procurement teams from:
  - Ministry of Transport & Infrastructure
  - TCDD (Turkish State Railways)
  - TCDD Transport
  - TÜRASAŞ (Turkish Rail System Vehicles Industry Inc.)
  - Turkish Municipal Authorities
  - Leading contractors, manufacturers, and universities
- Showcase Your Innovation: Present your solutions to key decision-makers in areas such as:
  - Climate-resilient rail infrastructure
  - Hydrogen and alternative propulsion technologies
  - Rolling stock innovation
  - Smart maintenance and asset management systems
- Build Strategic Partnerships: This is a rare opportunity to connect with the right people at the right organisations, all in one place.

### **About the market**

Türkiye is investing heavily in its rail infrastructure, with over £36.2 billion in planned projects. The UK is already supporting major high-speed rail projects with over £3.3 billion in UKEF-backed financing. With a growing focus on localisation, sustainability, and digitalisation, Türkiye offers significant opportunities for UK suppliers, technology providers, and innovators.

### **Why should you join this trade mission?**

This event is a unique opportunity to have a networking chance with most of the sector representatives in Türkiye including public and private organisations. Participant companies will have a chance to meet technical procurement teams of respective Turkish organisations including TCDD (Maintenance, Safety, Rolling Stock, Infrastructure), TCDD Transport, TÜRASAŞ, Turkish Municipalities, Turkish Universities, contractor companies, other rolling stock manufacturers in the market.

### **Who should participate?**

UK companies from all segments of the rail industry, especially those offering innovative, sustainable, and future-ready solutions, are encouraged to participate.

### **Costs**

There is no participation fee. Delegates are responsible for their own travel, accommodation, and subsistence expenses.
